# ITINERARY - VOLCANO & BEACH GETAWAY

## Day 1 - ARENAL VOLCANO

Welcome to Costa Rica! Upon arrival at Liberia Airport, transfer to the Arenal Volcano area located in the northern region of Costa Rica (an approximate 3-hour drive.) On the first part of the trip, we'll cross the cowboy plains of the Guanacaste Province along the coast of the Pacific Ocean. Admire the incomparable beauty of this paradise with its pristine shoreline, beautiful mountain ranges and a number of volcanoes. The journey continues to impress with the beautiful scenery of the Arenal Lake and its surrounding natural landscapes and country villages. Upon arrival at the Arenal Volcano area, please check in to your hotel. Overnight at selected hotel.

## Day 2 - ARENAL VOLCANO

Enjoy a full-day tour discovering the natural wonders of the northern wetlands. Enjoy a floating safari tour where you can experience the serenity and lush forest backdrop on a scenic and calm river route. The Caño Negro Wildlife Refuge and the Río Frío form a biological wetlands site, one of Costa Rica's richest areas of natural diversity. While paddling along, experienced guides will teach you about the different species you may encounter - monkeys, caimans, iguanas, crocodiles, sloths, and turtles. The network of languid lagoons is also a birding wonderland - you will find a great variety of residents and migrants. The forests, grasslands and marshes of the area provide shelter and privacy for various shy and endangered species such as the cougar, jaguar, ocelot and tapir. (B,L)

## Day 3 - ARENAL VOLCANO

Day at leisure to explore the area at your pace. We highly recommend a visit to the Arenal Volcano National Park (not included), one of the top destinations for travelers in Costa Rica. The volcano is still alive and spews smoke from its conical top, but it entered into an indeterminate resting phase in 2010. Other attractions are the Venado Caves and La Fortuna Waterfall and many activities such as whitewater rafting, rainforest hikes, hot springs, canopy zip-lining, Pure Trek Canyoning, fishing and horseback riding. Overnight at selected hotel. (B)

## Day 4 - ARENAL VOLCANO TO GUANACASTE

After breakfast, depart Arenal for the Guanacaste area. Guanacaste forms part of Costa Rica's North Pacific Region, where hundreds of unspoiled beaches and a shore full of enchantment and surprises await you! Guanacaste draws visitors with its incredible bird watching, amazing horseback riding, excellent surfing and superb snorkeling. Also, wonderful mountain lake windsurfing, ATV tours, zip lining and a bustling nightlife attract the more adventurous. With so much to do, it's easy to understand why so many people flock to this amazing hot, dry region. You will spend the next 3 nights at a selected all-inclusive resort. Overnight at selected hotel. (B,D)

## Day 5 - 7 GUANACASTE

Over the next 3 days explore the Guanacaste area. Many optional local reserves, natural attractions and special activities are within easy reach of your resort - including Rincon de la Vieja National Park, which holds an active volcano, thermal mud baths, and a variety of forests; or Palo Verde National Park, which is a birdwatchers' and nature lover's paradise. In addition, with canopy tours, river rafting, horseback riding, forest hiking, fishing and much more, you will not be at a loss for fun things to do! (B,L,D- All Inclusive Meals)
